“ *Don't grieve for her, for now she's free she's following the path GOD laid for thee. she took his hand when she heard him call and turn her back and left it all. she could not stay another day to laugh, to love to work or play. tasks left undone must stay the way, she found that place at the start of day. if her parting has left a void then fill it with remembered joy. a friendship shared, a laugh, a kiss, ah yes these too she will miss.. Be not burdened with time of sorrow, she'll wish you the sunshine of tomorrow. her life's been full, she savored much, good friends, good time, a loved ones touch.. perhaps her time seemed all too brief. don't lengthen it now with undue grief. lift up your heart and share with thee. GOD wanted her now, he set her free..*
