“ *When I was a youngster, Uncle Ed took me fishing on numerous occasions. One particular time when I was eight or ten years old, we went to Lake Erie with a friend of his from Hamtramk whose name I can't recall. The sea's were rough and I got sea sick so Uncle Ed took me back to shore, gave me the keys to his car, the 1960 copper colored Chevy, so I could unlock the doors and wait for him to return while he and his friend went back to fishing. I recall waiting for a couple of hours in the car by myself in the parking lot before they came back. I was unafraid and actually had fun pretend driving, but who would do that today?*

*This is just one of many fond and loving memories of Uncle Ed, my favorite uncle.*

*I will miss you, love you, never forget you as long as I live.*
