“ This is with a heavy heart to say goodbye to one of first friends. I have so many memories of my childhood that involve Ed I do not know where to begin..You will forever hold a special place in my heart. Eddie you were like another brother to me and I will cherish the times we spent together in our younger years always laughing and maybe a little bit of trouble along the way.Racing up and down the dunes, dancing to our favorite song "Grease Lightning" and many more. Rest in peace until we meet again.
