“ *Dear Mrs. Luttrell & Family, I was very sorry to read of the death of your father. Please accept my sympathy in behalf of yourself and your family. I saw from the obituary this is not the first time your family has dealt with such a painful loss. It is my prayer for you and your family that you will find the needed comfort for your hearts and strength to endure this loss from our loving "Father of tender mercies and God of all comfort", Jehovah and his dear Son, Christ Jesus. Please take care. (Psalm 27:10; John 11:25)*

“ In 1965 I hired in at Monarch Foods and on a Friday I got to go with Sone for training on His run down to Hillsdale. It was quite memorable run with all the scenery and especialy all the little tips He gave that lasted thruout my 30years. Later when I would train someone, I would say "Sone taught me that". Of course they wouldn't know who Sone was but it didn't matter. His way lived on.

THANK YOU SONE FROM THE BOTTOM OF MY HEART.

“ You don't know me, but our families belonged to St. Lawrence Catholic Parish on Lonyo in Detroit.

I was sorry to read of the death of Mr. Gronau.

I remember when David died. The Dominican Sisters that taught there, told us that David was a hero, and that we should always remember him in our prayers.

I remember that your family donated money for the statue of St. Lawrence, that stood in front of the church until it closed.

And when I was at one of the travelling Walls that honor the soldiers who died in Viet Nam, I found David's name and paid my respects.

I am now a mother-in-law of a Marine overseas, and when I pray for him, I send a prayer for David, too. And now, I will include Mr. Gronau.

May God bless your family.
