“ *Ed was a great fun loving guy who would do anything to make you smile from doing a spot on impression of Walter Brennan to making wise cracks. I miss you Ed...RIP!*

“ *What an amazing picture, it personifies the Eddie I knew from high school. He was a great friend. I'm glad I got to see him at the class reunion in '06. I am truly sorry for you and your family's loss.*

Thank you for the kind comment. As you can tell, it has been a while since anyone checked this, but I'm his son. Please contact me when ever if you have any stories of my dad. I don't really know what he was like when he was younger and would live to hear them. My number is (313) 948-3235
