“ *I send my condolence to your family. We all have lost our loved ones oneway or other and death is the most painful experience one can ever have because man was meant to live forever and therefore God has provided a ramson sacrifice Jesus Christ. By his blood we have a hope of reserrection and as such we will see all the dead come to life. Jehovah God says he has better plans for us. Acts 24:15 talks about the resurrection of both the righteous and the unrighteous. Please read the scripture for comfort.*

“ Cheryl and I would like to express our sympathy on Bud's passing. We enjoyed the time we had with Bud as our neighbor on Duck Cove. Bud was one of the first people we had met when moved in . Our place needed alot of work ,and we could always count on Bud to shout an encouraging " lookin good ! " at our progress on a daily basis. A spry man until his passing, I was amazed at Bud and how he continued to manage his camp . It was only a couple of years ago I recall sitting in his attic crawlspace with him as he showed me how he had rebuilt all the roof trusses !! Bud was always willing to help me on my projects where he could . He was proud of his work history . I will never forget him walking across the road with his Ramset Drill in hand to help me drill holes in a concrete pad I was working on . My camp doesnt have water , so I would lug store bought bottled water to the camp on a weekly basis. One day Bud says " I have something I want to show you, follow me into town and turn where I show you " . Bud led me to this great spring. From then on I got my water from there. I foundly renamed it " Bud Water " . When I would go to the spring I would tell Bud I was going to get " Bud Water" . I could tell he loved that . I made it official by getting him a big blue jug for his kitchen and I took a marker and scribbled " Bud Water" on it. Bud was so appreciative of the little things. Whether Cheryl baked him a pie , or I fetched his " Bud Water", you would have thought that you gave him the world. We hope you find comfort that Bud's spirit will live on in the beauty of Duck Cove. We will remember Bud in that way as we look over Buds camp to the waters edge.

“ *I cannot say enough of how grateful we are to have had the pleasure of knowing Ed and his Family. It is always difficult to say good bye when a loved one leaves us. We know that Ed always lived and trusted in His Lord and Savior for his entire life and shared that with everyone who knew him. May the Peace of God be with His Family until the day they all meet again in Heaven.*
