“ *Carolyn, Tim, and Kirsten*

*Those we love remain with us
For love itself lives on,
And cherished memories never fade
Because a loved one's gone.
Those we love can never be
More than a thought apart,
Far as long as there is memory,
They'll live on in the heart.*

“ To Kirsten and her family,

I was so sorry to hear of your loss. Please know you are in my thoughts at this difficult and sad time.

I only met you all at Kirsten's and Pat's wedding in Freeport, ME, but I'll never forget what a warm and jolly couple you were! I'm sure your family will love and support each other through this. If I can help at all, please don't hesitate to contact me. When Jon passed away 3 years ago, it was the help of family and friends that cushioned me. Please know you are in my prayers. “ Ed always always made me feel good when I was in his presents. Oh my, his sense of humor and knowing when to tread lightly, but still is entertaining. And talk about his intelligence, just consider how well he married. Even though I was not part of his inner social circle, he made me feel like I was one of his best friends. Often Ed invited me to special events and social gatherings of his associations, clubs, and organizations. I fondly remember the time he introduced me personally, one by one, to at least fifty of his close friends in a way that made me feel accepted by all. Ed made people feel comfortable; Ed did good deeds for so many people in need; Ed could engage in honest conversation with people from all walks of life--what a gift. I am thankful that Ed crossed my path. God bless, and may Ed's family find strength and comfort.

“ Carolyn, are you the same Carolyn who worked at EMU with me? If so I am so sorry. My Tom died about 4 years ago from pancreatic cancer and it's very hard. I live just down the street so I'll try to stop by on Wednesday.
