“ This may be a bit of a strange story but it's stuck with me for 4 yrs. now.

Four years ago I was shopping at Sam's club (in Westland) and I was wearing a Red Wings t-shirt. Only the "edwin" part of it showed (I had a jacket on) well, Edwin came up to me and said "you're wearing a shirt that has my name on it". I was confused at first and then he told me his name. I opened up my jacket to show him it was a Red Wing shirt. We both laughed.

I love senior citizens and I thought he was really sweet. That story has always stuck with me so when I was reading the death notices last night I noticed his name right away.

That was my only encounter I've had with Edwin but I've always wondered about him for years.

I'm very sorry to hear about your loss. He seems liked he was a special man.

god bless
