“ My Adorable and amazing Uncle. We grew up like siblings and we always had a close bond, no matter what you had going on you showed me how to fight and as always you showed me so much love. I'll cherish your smile and enthusiasm forever; your memories will forever live on. It's saddens me to say goodbye but I know God needed his special Angel by his side. You will be missed deeply and just know you were truly the greatest of all Uncles. Fly high My Uncle until we reunite again
