“ I just found out about Edwina's passing. I worked with her at the bank for a number of years and she was always one of the most intriguing and wonderful people I knew. I talked to her a year or so ago and she seemed as crazy as ever. My deepest and sincerest sympathy.

“ Condolences to Ann's family. Her friendship and kind spirit helped me so much through the most difficult time of my life with the loss of my wife, Barbara, last year. Ann was a great friend and wonderful companion with an amazing amount of varied interests. She was loved by everyone and was a great gift to the OPC where I met her.
