“ *I miss you still, My Friend. I was truly blessed to know you and be mentored and loved by you. There will be a hole in my life that once was filled by your friendship. Until we meet again, My Eileen.....*

“ *Jim and family,  
My sincerely sympathy on the recent death of Eileen! How well I remember nearly 50 years ago when Tim hired Jim to teach math at Stevenson! My thoughts and prayers are with you during this difficult time.
