“ *What a beautiful human being inside and out. I knew Elaine all through elementary school up through high school.....what a special person she was. Dear Elaine, be at peace and know that everyone loves you. I have known Bob forever as well and hope he knows what a jewel she was to you and all who knew her. I really miss that lovely smile and giggle and driving to school in Frances Clines dads old Metropolitan (very close quarters). Lots of people have passed but this one really got me. Love you,*

“ *Bob, you were so fortunate to have Eliane in your life. What a fantastic, wonderful and beautiful person. Linda and I loved to watch Elaine get your goat everytime you got a little uppity with her. She knew you well and we could see the special relationship she had with you. She may have left us, but her fond memories will remain with all of us the rest of our lives.*

Our prayers are with you and your family.

“ Elaine was a cherished part of our nursing group that has stayed together all these years. She entertained us every August with her pool parties and always had plenty to eat and drink and of course, peanut M&M’s. She was a fun part of all our trips. I will always remember her as a great friend with a quick sense of humor and laughter. Will miss you terribly, Elaine.

“ Elaine was my roommate in nursing school and continued to be my roommate on the many trips we took with our nursing classmates. I was her maid of honor when she and Bob got married. She was in my first wedding. We have been friends since we were eighteen. She was a kind, caring, loving, funny lady and I will miss her so much. RIP dear friend and roomie.
