“ No matter what happens in life or death we have always depended on each other. You must have haunted Martha while she had you ashes. When Martha come to see Howard before he passed she brought your ashes to me and said she was dumping you off at dad and mom’s grave just to get rid of you. I told her absolutely not I’ll take her and spread your ashes in the Cherokee National Forest where you belong. You made it Cherokee now go be with your ancestors. Love you always! See you in the next realm

“ Elaine Faye I really miss you so much. You are my favorite sister! You stuck by my side through everything. I always ran to you you were the only one that raised me. You were my mom and I want to thank you so much for loving me. I'm sad! There's a void as deep as the Grand Canyon. Until we meet again know that Franny LOVES YOU ALWAYS CHEROKEE.
