“ *Aunt Elaine was a Federal Employee who worked on the School Food Program - or Food Pyramid back in the 1970's. She loved to sew clothes and items for the less fortunate. She had a fun sense of humor and a great smile. I will forever treasure all her words of wisdom and kind things to say about people in her life. She believed in God and knew she would see her Mother, Father and family in Heaven. May she rest in peace in the arms of Jesus. I love you Aunt Elaine!!*
