“ *Dear Connie and David: I got to know Eldora when I worked parttime at the Senior Center. She was always this well-dressed lady who came to pot luck on Tuesday and enjoy the table with friends. We talked alot about her previous trip, etc. and I enjoyed her very much. The biggest surprise I got was when she told me she loved going to "tractor pulls". Well, being from Chicago, that just blew my mind. This gentle, beautiful, refined lady at a tractor pull? It was a shock.*

*I know you have done all you could for her and am sure she is in a happier place now.*
