“ *My deepest sympathies to you Buth, and all your family. It sounds like your grandmother had a life well lived. Do not stand at my grave and weep; I am not there, I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn's rain. When you awaken in the morning's hush, I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry; I am not there, I did not die.*
