“*Accamma Aunty was a beautiful and strong lady. During our childhood, whenever we went to Aunty’s house for summer vacation, the conversations and laughter while sitting under the mango tree are moments I can never forget in my life. After Alex Uncle passed away, when I stayed there with Aunty for a few days, even in the middle of that sadness, she faced life with strength. We can never forget Aunty’s smile and sense of humor.*

Even last year, during her illness, when we came to visit her, I still remember the love she showed by making food for us. I called her in April and she said, ‘You should come in June.’ But I never expected things would turn out like this.

Aunty, we will miss you. But you will always be in our prayers. Love you, Aunty... miss you a lot.”

“ *In Loving Memory of My Beloved Aunty Elizabeth Alexander*
Elizabeth Alexander was my mother's only sister. I am Thomas, and I have countless loving memories of my dear aunty.

My earliest memories with her are from our family gatherings at my grandparents' home in Champakulam. During every summer vacation, all the grandchildren, along with my grandparents and family members from different households, including Jose Uncle's family and Xavier Uncle's family, would gather together. Those days were filled with happiness, laughter, and love.

My grandparents ensured that prayer was an important part of our daily life. Every evening, the family would gather for prayers, beginning with the Holy Spirit prayer and followed by the Rosary. Aunty Elizabeth played a vital role in every aspect of these family gatherings. Our uncles, Antony Uncle from the USA and Siby Uncle, who was then in Delhi, would also join us whenever possible. Those moments together are among the happiest memories of my childhood.

Aunty Elizabeth was a wonderful person who lovingly cared for everyone. She played a leading role in preparing delicious meals for the family, and after dinner, we would spend hours sharing stories, jokes, and laughter. Her presence brought warmth and joy to every gathering.

To me, Aunty Elizabeth was much more than an aunt. She was my best friend, mentor, and constant supporter. Her love, kindness, and guidance have left a lasting mark on my life.

Over the years, we have lost our beloved grandparents, Jose Uncle, Xavier Uncle, and now my dear Aunty Elizabeth. I truly believe that our ancestors remain guiding lights in our lives. When they pass away, it feels as though a wing has been cut from our hearts, yet their love continues to carry us forward.

Dear Aunty Elizabeth, we will miss you deeply. I hope to see you all again in Heaven someday. Until then, I assure you that you will always remain in our prayers and in our hearts.

Miss you, Aunty.

With love,

Thomas
