“ Being in Aunt Betty's front yard in the summer in a party setting. My sister ANNA was maybe 2 or 3 years old in her playpen with all the company, dancing and laughing. Aunt Betty was always smiling, welcoming and kind. Heaven has another angel to celebrate. 🥹

“ Joey and Cathy, Words may not suffice to express the heartfelt sorrow that I feel for the passing of your mother. Please accept my condolences. When I saw the photo here, it reminded me of how stylish your Mom was. But it also reminded me of her enthusiastic and heartfelt laugh, I loved her laugh. Thinking of you, remembering good times on the court.

“ I have so many beautiful memories with Betty that I don't know where to start. I will share the most recent. Betty last wk turned 91 and we had a beautiful celebration with all of her loved ones and I can still picture her smiling that day and telling me how she's so blessed to have family that loves her and how thankful she is for all of them. I wish I could of told her one more time how thankful I was to have her in my life. She made me realize how important family is and I will never forget how much of a blessing she was to GraceHomecare. She was the reason that I enjoyed going to work. She will always hold a super special place in my heart.

“ I loved Betty so much! As a young girl, and teenager, always loved Betty like my second mom!! She loved to listen to "our" music, and dance with us. She was always Happy, always smiling! Loved us kids, and kept a positive attitude no matter what! Betty was a neat freak, house was always immaculate, and I teased her about always "sweepin" the kitchen floor! I asked her if that was her "dance partner" because that radio was Always on! . And, now, every time I sweep my kitchen floor to this day, I am happy to say, I still think of Betty, and it brings on a great big Smile and I have to be Grateful, it is not work, it is a great memory of someone I love very much! I thank God, that I was fortunate to have had Betty in my life.
