“ *Dear Ann and family, It is always difficult to lose a loved one, but a mother is always special. My heart goes out to you all. Please accept my sincere sympathy, and include all of your former classmates in this expression of comfort. If your grief is shared, it is halved. Probably not so, but know that you will always have her in your heart. She did something right!! Look what great kids she raised. Barb Overholt Toth Plymouth High School Class of 1969*
