“ *I write to do what is recorded at Romans 12:15 to weep with those who are weeping. Its okay to mourn our dead loved ones because even Jesus did the same as recorded at John 11:33-35. But the comforting thought is hat we have apromise from God that he will bring back the dead to life and will be able to reunited again. This a true promise found in the bible at John 5:28-29. So our hope is to lookforward to seeing Elizabeth again.*

“ Dearest Cousins, Please know how much your mom meant to me and how much I will miss her. Her role as Godmother fit her to a tee. I will never forget her and the love she had for all of us and for God. I know I will see her in heaven.

“ Its very had to walk into the house and not have Grandma offering what ever she could find to cook for you. She was always willing to give more then she could. Grandma was the most unselfish person I knew, the kind that do not come around often. I never heard her speak a bad work about anyone, to her, everyone was a great person in their own way. Grandma, you will be missed very much. Thank you for being there for Paul and I so much when we were young. We love you, take care of Dad and Grandpa.
