

Elizabeth Martha Mariles

April 18, 1938 - October 26, 2024

Elizabeth Martha Mariles (Murphy), affectionately known as Liz and Beth, of Dearborn Heights, Michigan, passed away peacefully on October 26, 2024 at 86. Born on April 18, 1938, in Detroit, Liz grew up in Dearborn, attending local schools before pursuing her passion for nursing at Wayne State University. Her caring nature and dedication to helping others defined her life's journey.

On December 24, 1959, Liz married her beloved husband, Ricardo Mariles, sharing a devoted 51-year union until his passing. They raised their family in Dearborn Heights, where Liz created a loving and welcoming home. Liz and Ricardo shared a joy for traveling, exploring destinations across the United States and abroad. She worked at the Ford Fitness Center as a receptionist for many years. She took on various supplemental jobs, including sewing, to help support her family and provide them with opportunities.

An avid gardener, skilled seamstress, and football fan, Liz filled her life with hobbies that brought her joy. She could often be found gardening, baking, reading, knitting, crocheting, or crafting unique Halloween costumes for her grandchildren. She was a proud grandmother and delighted in cheering on her grandchildren at their school and athletic events, from hockey, lacrosse, and soccer to theater. Her creativity and boundless support left a lasting impact on their lives.

She is survived by her loving children Patricia Mariles, Robert (Sherri) Mariles, and Teresa (Duane) Azarovitz; her cherished grandchildren Kelly (Erik), Rachel (Rick), Madison, Brianna, Makenna, Nicholas, Anna, and Nathan; sister-in-law Dorothy Murphy; brother-in-law Carlos Mariles; many nieces, nephews and dear friends. She was preceded in death by her husband Ricardo and her son Richard (Lori).

“ *To the family of Liz Mariles I extend my heartfelt condolences. I
didn't know Liz real well but did share a few evenings of music
going to concerts with her and her friend who happened to be my
mother in law. It was always fun to be around her.
I remember her as a joyful soul with a great sense of humor. I know
she will be missed by many.

“ I was blessed to share 26 years with Liz, or as I knew her, grandma. She was the kind of grandma every kid wanted growing up - the fun kind that filled our bellies with chocolate, read us stories, and took us swimming.

One of the best life lessons I learned from her is to ALWAYS lick the spoon/beaters/whisk when baking. So many days were spent baking in her tiny kitchen, and no recipe was too challenging for us to tackle. A lot of raw cookie dough was eaten, and so many memories were made.

I could talk endlessly about the time my grandma and I shared. Countless phone calls, lunch dates at Applebees, and hours-long visits, always capped off with being sent home with bags of choooooocolatttte (as she would sing it). 26 years doesn't feel like enough time, but I am forever grateful for the time I spent with her.

“ Summer of 1977 or 1978 on Katherine in their kitchen and her great voice. Mrs. Mariles had a wonderful way with getting right to the point of any situation. We all wanted a different ride somewhere, and she was letting us know how and when it would happen ❤️. Another time in 1980? A trip to Canada and an unforgettable vacation time with the family. Love you Mrs. Mariles. ❤️

“ *She was an amazing grandmother. From a very young age, she was always there for me and our family, whether by tickling her grandchildren to put a smile on their faces, making Halloween costumes, or cheering us on at our sports events. She was so kind, so positive, and always full of joy.*

Every time I went over to her place as a kid, she made sure our stomachs were full of "CHOCOLATE" (she had a fun way of saying it) and would sneak us a bag to take home, one that rarely lasted the whole drive.

In high school, I had to write a speech about a person I looked up to, and I chose her. She was one of my biggest role models, showing me strength and that no matter what's happening, there's always light at the end of the tunnel. I am truly grateful and blessed to have had her in my life.

“ *I have such wonderful memories of Mrs. Mariles from the dance studio. She sewed me my First Holy Communion dress. I remember running into her at an art fair when I was in my teenage years. I was admiring a handmade pendant, and she bought it for me. I was so touched at her kind gesture, that I've always treasured that pendant and still wear it to this day. She always had funny stories about her husband and she'd make me laugh. That's the way I'll always remember her.*
