“ m truly sorry to hear about your lost. Elizabeth will definitely be missed. Death is something not easy to swallow but what helps me to cope is the Bible. At Revelation 21:4 it stats "he will wipe out every tear from there eyes and death will be no more neither will mourning nor outcry nor pain be any more." God (Jehovah) promises to get rid of death and the pain that we all feel when we loose a loved one in death in the near future. Dion truth.1914@yahoo.com

“ Thank you all for your kind words about our grandma. I wish we would have been able to be there and visit with everyone. Even if we had been notified of her passing with the unfortunate illness of my mother Susan I do not know if she would have been able to make the the trip. Lisa and I would like to thank everyone who tried to visit or contact Betty while she was sick. You have all been great friends of the family through all these years. If the two of us are able to come to the gravesite to give our condolences and say goodbye I will contact some of you for a possible small memorial. This will depend on the condition of our mother as to when this would happen. Thank You again for all your kind words. She will me missed.

“ In times like this we want to look to our Master of faith Jesus for he say at Mathew 11:28 come all you are loaded down and i will give you refreshment. In the word the Bible we are told that the dead are conscious of nothing Ecclesiates 9:5. Jehovah almighty God calls the dead, only sleeping in death because he promises that he will swallow up death and all in the memorial tumb will come out, Isaah 24:8 and John 5:28. We have hope Elizabeth will come out and reunited with family. What a marvelous event to await for.

“ So very sorry Dean chose not to notify Betty's family and friends. We were very fond of her. She was a lovely lady. All the kids at Taft school loved her those many years she worked there, our great grand daughters in particular. They went to visit her in the nursing home. We would have loved to have went to the funeral.

“ Betty, Our family loved you so much and you always had a wonderful smile and wave when you walked by. I wish your daughter, grandchildren, great-grandchildren would have known of your passing. All of us were kept away from you during your illness due to your son's selfishness. Your in God hands and at peace. I will miss you very much, but have wonderful memories that no one can take away from me. I will love you forever, forever and ever my friend. xoxoxoxo Lu

“ I am so glad that Betty is in the arms of our wonderful God, and not in the hands of her son. I wish we, who all knew and loved her, would have know about her passing. Her son kept us away and this is a women who deserved so much more. She touched all of our hearts on Taylor St. I wish her daughter, grandchildren and great-grandchildren would have been there during her last moments.

“ *Betty is at peace in the arms of our Lord and Savior. Such a pity her own daughter, grandchildren, great grandchildren and all of her friends that loved her so much were kept from her and not notified of her passing. Betty, I love you more than there are stars in the universe. XXOO Sherry*
