“ Liz can light up the room with her smile and Beautiful hair! We were in cosmetology class together and we worked together for a little bit. She was a sister to me. She always spoke of her husband and kids. Ugh my heart is broken. Heaven gained a beautiful Angel! Praying for family. Especially her kids.

“ I'm so sorry, Uncle Ray. We loved Betsy so much. I'm terribly saddened for you and the immediate family and to hear how badly she suffered. She was such a kind, genuine soul who deserved much better. One of my earliest memories I have is her showing me how to catch catch frogs in Bessemer roughly 30 years ago. We were thick as thieves that trip. A bright spot of Grandpa's funeral in 2013 was catching up with her and meeting Dorian. While I'm glad she's no longer in pain, I'm heartbroken for all of you.
