“ *David, Jonathan and Stephanie,
Please accept my sincere sympathy as you mother was a truly wonderful woman, always kind warm and loving. She is now at peace and no longer suffering. I am only sorry that work interfered with my being able to do this in person.*

Take care of each other as Elizabeth is always with you all.

She shall not be forgotten.

“ Dear David, Jonathan and Stephanie,

Our most heartfelt love and sympathy are very hard to send over a message, but we send them also in prayers. May the Lord uphold you and give you strength as you live your lives and move on from this most painful chapter of your lives. We loved Elizabeth very much, and have missed her since we moved away from Ann Arbor. But knowing that she is resting with Jesus is the only balm for our hearts. We have the hope that Christ gives us that when the trumpet of the Lord sounds, she will be raised, changed, and brought back together with those who love the Lord. May the peace of God soothe the pain of missing her until then.

Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Nay, in all these things we are more than conquerors through him that loved us. For I am persuaded, that neither death nor life, nor angel, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. Romans 8:35-39

“ Dear family of Elizabeth's,
I am so sorry to hear of her death. Like all of us, I knew the end of her precious life was ending soon, but really didn't want to think of it. I am in Iowa and then traveling to Oklahoma, or I would certainly be at her viewing and/or services.
I want you to know how fortunate and and that we have been to have known her and worked with her. She was an excellent nurse, always friendly and smiling, always anxious to hear about us and our families. She cared about others. She loved you all.
With my sincere sympathy to each of you, we are left with the knowledge that we were all blessed by her presence.

“ Dear David, Jonathan, and Stefanie,
Elizabeth, to me, Lizzie-poo, was a very special lady. She was special as a person and as a nurse and co-worker. We (the old ER gang) visited her recently , as you know, and we hugged at the end of the visit, and Lizzie said to me " you are my rock " and I said to her " Lizzie, you have it all wrong, YOU are my rock."
I am truly sorry for your loss of this great lady
in your lives....
