

## Elizabeth Jane Wasson

February 27, 1920 - December 21, 2017

Wasson, Elizabeth Jane - February 27, 1920 – December 21, 2017.

Loving, thoughtful, generous, ever concerned daughter, sister, wife, mother, aunt, grandmother, and great-grandmother. Elizabeth's husband of 71 years Charles McClellan Wasson, her sister, sisters and brothers-in-law, and friends have all gone before her. She is the last of her generation among her family and friends. Elizabeth is survived by her three children, Patricia Ann Regel, Charles (Melanie) Michael Wasson, Deborah Carol Lee and their families. If she could today, she would especially thank her grandsons, Max and Jon for their loving care and attention during the final years of her life. With love Rest in Peace. A private memorial service will be held at a later date. Memorial contributions may be made to Angela Hospice, who provided exceptional care to Elizabeth and her family during her last days.
