“ *Mr. Luvisch,*

*I was so sorry to hear about Mrs. Luvisch's death last week, I have fond memories of you and Mrs. Luvisch as both neighbors and generous customers on my paper route. That seems like a hundred years ago. I will keep you and your family in my thoughts and prayers. I hope you find some comfort in the many wonderful years that you shared together.*

“ *Dear Mr. Luvisch,*

*I was so sorry to here of your loss. I don't always understand the meaning or purpose of why we are here but I do believe it is the acts of love and good will that define the very nature of our lives. Mrs. Luvisch embodied both and I will carry those memories with me. I am sure that God is holding her dear until you're together again.*

*Love,

“ Dear Mr. Luvisch and family,

*I am so sorry to hear about the passing of Mrs. Luvisch from my parents. I have many fond memories of her during my time growing up as your neighbor. Asking to skate or fish in the pond, collect for the newspaper, and especially coming back to the barn to see a newborn foal. She was a wonderful person and neighbor and my thoughts and prayers are with you during this difficult time.*

*With deepest sympathy,

“ *I was so sad to here that Mrs. Luvisch passed away. I will always remember her cheerful hello when I would ask if I could fish or skate on your pond. She always said yes and reminded me to be careful. How lucky you were to be married to her for so long. I will keep you in my prayers. Fondly Nancy deBear Naski*

“ *Dear Seymour and Family,  
We were shocked and saddened to learn this morning of Ella's death. We couldn't have asked for a better neighbor of forty-seven years. She was a beautiful person and her beauty was matched only by her sweet nature. We will miss her.*
