“ *Mark and Family, We are sorry to hear about Freds passing. I am glad I had a chance to see him the last time I was in Plymouth. During that time he showed me all the pictures he had, told me what that person was doing and you could tell he was proud of everyone one of you. Traveling Ann Arbor Trail will never be the same... Peace be with you during these times. Walt Zeiler and Family.*

“ *I met your dad last year around Christmas at the Golden Corral restaurant. As your dad was leaving and I was arriving, he let me know that he had left some food for me. Everyday I saw him, he would wave and say hello. I had recently lost my mom, and your dad's warm demeanor was always comforting to me and helped me in getting through the grief of my mom's passing. With affection and deep sympathy, I hope that your fond memories of Fred will give you comfort and strength. I will forever remember him as one the most kind and solid men I ever met.*
