“ *Dear Karen and family, it was a pleasure to be able to work with and get to know your father. I enjoyed his stubborn ways and his humor. We had lots of laughs together and enjoyed each other's company. There is no doubt that he is well loved by his family. You guys never gave up on him and were always there to take care of him. I pray that God replaces all the grief and pain of your loss with good memories and laughs. God Bless. Ray and Renee Kramer*

“ *My most recent favorite memory of my Dad is this past Christmas Eve and him being home. My sisters Doris and Karen along with their spouses Jim and Tim surrounded him with love and grandchildren and great grandchildren that made him smile and laugh more than he had seen in a long time!*

My fondest memory of my father was working with him at Textron Automotive, we had such a great time, he made so many people laugh with his crazy sense of humor. That was a very special time!
