“ *Dear Phil & Helen: I was so sad to hear about the passing of your dear mother and want to extend my deepest sympathy. I had the pleasure to know and work with your mother. Elsie had a generous nature and a very good sense of humor. I can still remember her sitting at her desk and both of us sharing personal stories, office gossip and current events. She was a very capable and intelligent woman and easy to laugh and joke around with. I know you will miss her alot. You and your family are in my thoughts and prayers. Eternal rest for your mother and God Bless.*
