“ My dearly departed younger brother Christopher,

You left this world too soon. It is a comfort that you went in peace near Dad with plans, hope for the future. I will speak in the present tense because I always carry you with me. Your clever wit / intellect, humor, sincere kindness, shared superhero appreciation, generosity, untapped potential, and love for Dekoda and Jordan is so clear, real. Thank you for your encouragement, understanding about my breast cancer battle and treatment over these past three years. You are a good man. I love and miss you very much!

Your sister,

Donna
