“ *I love you Eric.*

I'll miss the hell out of you down here but I'm happy you can be with your mom and dad again and no longer have earthly struggles to contend with.

Watch over your children and the rest of us from up there.

Thanks for always supporting and encouraging me and not judging me. That was a gift you had and that I'm personally going to mourn the loss of.

I will forever root for Notre Dame in big games the rest of my life in your honor.

Thanks for being an important part of my journey Irish!

“ *My thoughts and prayers for all ❤️ I love and miss Eric dearly. We became friends after my son Brian passed away. He was like another son to me. Brian and Eric worked together in Petoskey.*

Now they are with each other again. Peace be with you both ❤️❤️
