“ *I remember when I was about 11 or 12 and I met Eric at a family gathering and he taught me the proper way to shake hands. "Don't give me that cold fish!" he said and then proceeded to tell me the right way to do it. He had a great sense of humor and way with words. Another memory I have is coming home for leave in Aug 01 after completing USAF Officer Training School and going to a pig roast at his place out in the country and helping out w/ the barbecue. He was also in an instructional mode then too. He knew how to do certain things like that and wanted to pass on his knowledge. I appreciated him for this and his great sense of humor and will miss him.*

“ Eric, God has blessed my family with you, thank you for always being there for us. You had such a great heart and would light up the room with your smile. I cannot believe you are gone, but I know you are in a better place. I am going to miss calling you all of the time for cooking tips. It just isn't going to be the same without you around. We will forever miss you and never forget you!! We love you, Marie
