“ *I send my condolence to your family. We all have lost our loved ones oneway or other and death is the most painful experience one can ever have because man was meant to live forever and therefore God has provided a ramson sacrifice Jesus Christ. By his blood we have a hope of reserrection and as such we will see all the dead come to life. Jehovah God says he has better plans for us. Acts 24:15 talks about the resurrection of both the righteous and the unrighteous. Please read the scripture for comfort.*

“ We love you, Granny. "I hope you never lose your sense of wonder You get your fill to eat But always keep that hunger May you never take one single breath for granted God forbid love ever leave you empty handed I hope you still feel small When you stand by the ocean Whenever one door closes, I hope one more opens Promise me you'll give faith a fighting chance And when you get the choice to sit it out or dance I hope you dance I hope you dance (Time is a real and constant motion always) I hope you dance (Rolling us along) I hope you dance (Tell me who) (Wants to look back on their youth and wonder) I hope you dance (Where those years have gone)" "I Hope You Dance" by Lee Ann Womack

“ Don't grieve for her , for now she's free, she's following the path God laid for thee. she took his hand when she heard him call, she turned my back and left it all. she could not stay another day to laugh, to love , to work or play. Tasks left undone must stay that way, she found that place at the start of day. If her parting has left a void then fill it with remembered joy. A friendship shared,a laugh, a kiss, ah yes, these things she too will miss. Be not burdened with times of sorrow, she'll wish you the sunshine of tomarow. her life's been full, she savored much, good friends,good times, a loved one's touch perhaps her time seemd all to brief, don't lenghen it now with undue grief. Lift up your hearts and share with thee God wanted her now, he set her free.
