“ *Ernie was one of my Directors for the Western Wayne Youth Traveling Classic Bowling League. Ernie was a respected Coach and member of my Team. Ernie starred in the Instructional Video we made on "Fouls", it was a hit with the bowlers. We spent many hours teaching together. I will miss him. My condolences to his wife Angie and the family. May God bless and keep him. Hal Winters*

“ Ernie is my Big Brother. I love and will Always Love him. We had our ups and downs. He is 10 years older than me we had a Mother that we loved and she loved us the only way she knew how. It always seemed when she would get us together that's when we fight the most. Like I said she loved us both just as much but there was always her way of putting us against one another. So for along time that was our family.

After my parents died we didn't have a relationship. Until I came to the cancer. Non-Hodgkin Lymphoma stage IV and I might've had to have a stem- cell transplant and as we were the only siblings. he would be the one closest to me for a match. I wasn't sure if he would do this and he said that's What Families do for one another. So since then our relationship has been what one should be between a Big Brother and Little Sister.

I will Always Love You and Think of you.

Love, Mary.

“ Ernie was a really great person (very opinionated) but easy to get along with. I always enjoyed our time together at family functions as our conversations covered many topics from family to sports to whatever was the current news topics. May you rest In peace. You will be missed but always remembered.

“ Sunday morning was a very sad time for my husband John & I. Woke up to horrible news that our best friend Ernie had just suddenly passed. I'm still having trouble taking it in. We have taken so many family, bowling, cruising trips! We have celebrated 100's of family birthdays for us and our children. We have been friends at least 44 years and I'm just not ready to see him leave now. Angie, his wife, has been like a third sister to me. She would be by my side for everything in my life. I could go on and on about all the wild and crazy times we had as friends. My heart breaks for such a terrible loss. My wish is that everyone has a friend half as sweet & terrific as them. God blessed us the day I join the afternoon ladies bowling league at Town n Country! Met one of the best friends that a person could have. She asked us to go to moonlight bowling and from then on we were together all the time. My family loved them as much as us. People just knew if we were doing a party or almost anything that Ernie & Angie would be there too! It will always be the four of us to we meet in heaven. Love you always Sue & John
