“ Im truly sorry to hear about your lost. Ernest will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Ernest again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.

“ My heart goes out to the McDowell Family. Losing a loved one to the enemy death is very painful. However', many scriptures in the Bible gives us not only comfort but a Bible-based hope that is soon to come. Jehovah God the Almighty (Psalms 83:18) promises that the dead will live again. He has given Jesus Christ the authority to bring our loved ones back to us on a restored paradise earth. (Acts24:15) says: "There is going to be a resurrection of the righteous and the unrighteous . Also, the ones in God's memory will hear Jesus' voice and come out. (John 5:21-29) To know more Please visit our official website www.jw.org
