“ *Dear Pat,*

After listening to the stories you and your family members told about your dad, I feel like I know him personally. It sounds like he was a tremendous man who anyone would be proud to know. You are so blessed to have had him for a dad. My heart goes out for you and your family at this time. I hope you can find comfort knowing that your dad will be able to continue to shine that wonderful smile of his during his eternal life in Heaven where he will meet up with you again sometime in the future.
