“ *Estell Smith*

“ *For the last few years, we have visited Smitty at his house on Warren Road when we were in town, usually during the summer. His grandson Brian was always there when we visited. Smitty was always talkative and was alert and happy. My family which includes a little boy and a little girl enjoyed these visits. We sat in his kitchen discussing the family, the past, what he was up to nowadays, and how Brian was doing. We look back fondly on these visits, as well as remembering Smitty when I was very young and living in Michigan. We miss him already.*
