“ *Dear Hibler Family, Sincere condolences for the loss of your mother. We remember her and your family from the old Winthrop days. My mother, Esther, found the obituary and showed it to me upon my arrival with my family here for Christmas. We often reminisce about Winthrop, in particular, we remember "Sloppy Joe", major GI Joe figures, the backyard ice rinks (pre-global warming), soaping basement windows and getting caught by Tommy, etc. Thanks to parents like yours, ours, and others in the old neighborhoods, I guess we came out okay!! Laura and I are married, have kids, and live in the San Francisco area. Our parents are here in Bloomfield Hills. I am a physician in Pediatric Inf. Diseases, and Laura went to U of D Law School but works with her husband on a national speaker series. Please give our sympathies to your extended family at this sad time, but know that many people from different times and places like us are thinking of you. Julie Kulhanjian Strauch*
