“ *Snookie was a wonderful person and we enjoyed our friendship that we had at Beadle Bay Marina. Snookie always told it like it was and I gave her credit for being so open about what was on her mind. I will miss and always think of Snookie...my friend.*

“ *I'm so sorry for your lose even though i did not know the deceased. Death is our common enemy and affects all of us. I therefore want to share a comforting thought with the family. Time is soon coming when God put death to an end, Isaiah 25:8 and 1Corithians 15:28. Then God by means of Jesus will call and the dead will answer, John 5:25. So we look forward to seeing our dead loved ones come back to life again. Please take comfort from the sure promise of God who does not lie.*

“ My very deepest condolences to the family. Ethel was a true friend to me and I will cherish all the good times we had together, bowling, playing bingo, and just getting together to have dinner and conversation. I will miss you terribly, but I know you are in a better place now and hopefully I will see you again one day. God bless you and keep you safe forever. Love, Carol
