“ *Dear Richard and family, Dana and I were saddened to hear of your mother's passing and wanted to express our sincere sympathies to all of you. No matter how wonderfully long a parents' life may have been, it can't help but be a life changing experience when this time comes; after all, you've never lived a day without her in your life. We hope that during this time of initial loss, the coming days will be an experience of healing for all of your family. We regret we cannot see you in person but our thoughts and prayers go out to you.*

Warmest regards, Matt & Dana Wren

“ *Ron & Family,*

I didn't know your mother, but just from the chats I had with you at work it reminded me much of the relationship I had with my own mother and the hardships of her illness. My heart goes out to you Ron and your family for the loss of your mother.

Know that you are in our thoughts and our prayers!

“ Dear Richard and family;
Our sincere sympathy to you and your family during this time. Losing your Mom is a significant time in your lives. Memories flood back to simpler times, times you thought your Mom would always be there; times when Mom was teaching, guiding a couple of young boys in their lives. She has guided, she has loved and she has been loved back not by just you both, but the next generation; her grandkids. I am sure she will be celebrated in many ways tomorrow and I wish I could be there with you. May God bless and keep you, may God make His face to shine upon you and give you His peace.
