I can't believe it's been 13 years since you've been gone my sweet angel! I miss you so so much! Big part in my hair went with you my dear sweet great grandmother. You were such a loving, caring, giving, compassionate, incredible, woman I could go on and on all day about how Great you were! ❤️ I still think about you oh so very much, and I miss you terribly. 😭 please keep watching over me and my family which I know I don't even have to ask because I know you already do and I think you. One day I know you will be there waiting for me at those gates and boy I will be so happy to see you again my sweet grandma! 🥺
