*Torrin and the family all went to Disney World with Jay Towers. Torrin was one of the Jays Juniors. Anyssa won first place with her solo last year and this year. Pretty amazing grandma, you were always so proud of her. She accomplished this even though she had Heart Surgery at Children's a few week after Torrin Passed. We still cannot believe he is gone. Carrie and Jason are such wonderful parents, they never left his side and we all miss him. He left such a legacy in this world!💚💚💚💚💚💚💚*

*We are so sorry that both you and Torrin suffered with this horrible disease. You would have been so proud of Torrin,when Torrin was diagnosed with Lymphoma he was our child, he soon became everyone's child, around the world! Torrin was such a Special child, even before Cancer. While he was suffering so much his only concern was others,that is why his story became viral. I just wish that you were healthy enough to have witnessed this amazing child, he was raised by the best. Jadon and Carrie often say that raising Torrin and Julissa was easy since they are both such good kid do. A wonderful Organization has started an Organization in Torrins name called Torrins Toys, which collects and distributes toys to Children in the Hospital during Christmas,What a special grandson you have*
