“ I went to Maplewood El, Burger Jr High and West Senior High with Ben. He often made me laugh and was one of the guys who encouraged my 'wheelie popping skills' on my Sting Ray bicycle. I remember Ben as being tough and strong but also a very caring individual. Ben, you will be missed by many.

Awww! Always looked forward to his letters and postcards. He was good for always surprising you and brightening your day with a letter in the mailbox with new stories of his adventures in the deep woods. And he had the most perfect and beautiful handwriting I ever seen come from a man. Im glad he gave you that memory, thats so sweet.
