“ I remember when the Hinson boys would come play hockey in your back yard and dad would watch us. Of course we would have little Richie and Mark Igo would play also.

“ Where do I begin with the memories? I can remember going ice skating at Jaycee Park with Carolyn and he would pretend to trip and go sliding all the way across the ice on his belly. We would say "do it again" & of course he would, over and over again. Going to Tiger games with the whole Sentowski clan in their station wagon and watching him write down each play in the program book, throwing us so high in the air in the pool I thought he would throw us right outI could go on and on. He was kind, sweet, and goofy and he made us laugh. You will be greatly missed Pooch. I don't think you will ever know just how much. Love, Lisa Blasko

“ Being a childhood friend of Gene's son Mark, all of my memories are from years ago. To me he was always a nice, funny, generous man who never seemed to have a bad word to say about anybody. He also gave me the impression that he was very happy with his life and enjoyed being with his family. I know that he will be deeply missed by his family and all who knew him.
