“ No one had a better brother to grow up with back in the 40'/50's in Punxsutawney, Pa. than I did...we'd fight like hell one minute, then play like hell the next minute - oh for the GOOD ole' days!!! I was, and still am shocked to hear that you are gone, we did everything together, even went to Pittsburgh to join the U.S. Air Force together. Save me a place up there so we can be together again. I will miss you forever, Brother!!!
