“ It's been many years since I've seen you but I remember you from my childhood. When our family would come to Detroit to visit Nana I always had the pleasure of staying at your house. I remember you brushing and playing with my hair , I know you loved your girls. You will be missed by so many people. While your in heaven say hello to all of those loved ones who left us.

“ My mother you will always be with us. You are so cherished and missed oh so very much already. I know you are walking with the angles who have been waiting for you and are so happy with them. Until next time I see you please now how much we loved you and miss your happy little self you made us. Like you made us day, don't say goodbye, say see you later as this is not goodbye at all. Love you your baby girl Maria.
