“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com

“ Grandma,
I love you so much. Over the past few days I keep having flashes of memories. Each one feels like a big hug. At your house, I remember as a kid: Watching tv in your living room at the Beaverland house eating spaghetti or Stauffer's lasagna. My favorite movie, Somewhere In Time or Breakfast at Tiffany's or any number of Disney movies playing. James and I eating all the cinnamon bread from the center of the loaf first. Cups of milk with a stack of Lorna Doons. Making layered jello in Champagne cups. Lego cities in the middle of the living room, oversized teddy bear or a moose for pillows. Puppy dogs that stole your towel before you could get your pajama's on. I loved to raid your desk and play work. You just watched over us and let our imaginations run when we were at your house. As I got older you were my cheerleader. Whenever I didn't believe in myself, you always believed in me. I always thought to myself, I don't know what I will do without her. But you are still here with me in my heart, in everything I do, in how I love and how I give. Forever your granddaughter, Janine

“ Eunice was the general teller at my first Manufacturers Bank office. Knowing this was my first office, as a manager, Eunice made sure all the bases were covered. I never worried when I was out that the customers and staff were in good hands. She was kind, caring, and took great pride in her job. Coincidentally, I thought of her last week. I am sad to hear of her passing. Over the past 30 plus year as I interviewed individuals for various positions Eunice was my standard.

My condolences to her family, she was a great lady.

“ Mom,
you know you were my best friend. You always took great care of us
all, the best you could.

*I remember the first day of school, when I was at the corner and
heard the bell ring. I started crying and ran home. You took me over
to the school and let the teacher know and then it was ok. Always
looked forward to summer. Going to Cass Lake for the day and
stopping at the A & W for burgers and rootbeer. Yummy!!*

*When you told the story of being on the Farm in Canada, you and
Uncle Leonard feeding the cows green apples and Uncle John
seeing you from the field and came over and said not to give the
cows green apples, not good for the milk. I almost fell off my chair.
LOL*

*I looked forward to going to Hudson's Downtown for Christmas, the
building was so beautiful, you let us get a toy and new pair of shoes.*

*All the trips we took up north and riding the train to Toronto in the
Winter for a one day trip, it was so cold but a lot of fun.*

*You and Dad always took great care of the dogs, even my dog
Porsche when she would come for a stay over.*

*I know your with Dad know, so you don't have to miss him any
more, I am sure he was waiting for you.....*
