“ *I write to do what is recorded at Romans 12:15 to weep with those who are weeping. Its okay to mourn our dead loved ones because even Jesus did the same as recorded at John 11:33-35. But the comforting thought is hat we have apromise from God that he will bring back the dead to life and will be able to reunited again. This a true promise found in the bible at John 5:28-29. So our hope is to lookforward to seeing Eva again. Sincerely Peggy*
