“ *"Jesus added: 'Lazarus our friend has fallen asleep but I am traveling there to awaken him.' Jesus, however, had spoken about his death. But they imagined he was speaking about taking rest in sleep. Then Jesus said to them plainly: 'Lazarus has died.'" This can be found at John 11:11, 13, 14 in Jehovah God's word the Bible. It is comforting to know our dead loved ones are in a sleeplike state.*

“ *I am a volunteer at Independence Village nursing home where Evelyn lived and I knew her very well. I loved Evelyn and looked forward to seeing her every Sarurday at bingo. Evelyn was the oldest last who came to bingo, but she always pushed the chairs in and out of he tables for me and helped me set up. I will miss seeing her pantsuits and lovely outfits. It seems to be a blessing, because she passed away on my birthday and ever year I will cherish what she was. I live and miss you Evelyn. I hope to see you in heaven one day. Your so beautiful. I love you*

*“ Aunt Evelyn was a most remarkable woman. She adored her family, every single one of us. I was blessed to be her niece for over 70 years. She lit up a room with her smile and her graciousness. I can picture her now playing a heavenly piano for an angelic sing-along of good old Christian hymns.*
