“ God blessed me with a magnificent mother-in-law. She was not only a mom but a friend..She shared her gardening tips, always somehow revived my dying house plants, made the best jello and pizelles, all with a beautiful smile.She took time to listen, would give encouraging words and had a nurturing heart. She was someone you could count on and was always willing to give help in any way. It was an honor to be her daughter-in-law and friend! I love you Mom and miss you very much!

“ I will always remember her for being such a beautiful woman with extreme class. She was a wonderful friend and neighbor to my parents and our family. I always enjoyed chatting with her outside in her gorgeous backyard. She was a generous, gracious and loving person. We loved her dearly and will miss her greatly. She is in Heaven where she belongs, with the angels like herself. It was a blessing to have known her. I know how much she meant to all of you. All my love and prayers and deepest sympathy to all who loved her.

“ What will I do without my "forever" friend? You will always be in my memories for the times we shared working together and just checking in on each other during our retirement. Even during those last couple of years when things were not so easy, you always had that beautiful smile and positive attitude about life willing to accept those new and difficult challenges that came your way. I will miss our long chats on the phone where you always managed to lift my spirits. You are and always will be my "forever" friend.
